

Here's Looking Back on Our

Corporate Social Responsibility
acts for

2020 - 2021

#SrijanCares

Tree Plantations 2020:

1000 trees planted

Less than 5% of greenery persists in Kolkata. In an effort to make Kolkata cleaner & greener, Srijan planted 1000 trees at Rabindra Sarovar and Subhash Sarovar.

Sundarban Housing Project

Aims to provide housing & livelihood opportunities.

Srijan in association with Mukti, constructed 3 Prototype Accomodations with the following benefits -

- Flood tolerant
- Cyclone tolerant
- Affordable for the local community

Mother's Heart:

Animal Welfare Association

Mother's Heart, (Sarsuna) is an NGO actively working across the city, in the field of Animal Birth Control (ABC) for strays. Srijan raised it's hand of help by developing the 1st floor of the ABC unit located at Sarsuna, Behala. This helped the NGO in capacity building and fully utilising their ABC unit.

ISKCON Temple Renovation in Kolkata

Preserving a heritage site of the city
by contributing towards rebuilding &
renovating it for its devotees.

iKure Polyclinic in Domjur:

Primary Healthcare Services for All

This Polyclinic was set up with the idea to cater to the healthcare needs of the local community.

- 6000 patients visited our clinic.
- 3800 patients availed eye check-up

Shibrampur Healthcare Services:

Rural Medical Clinic

The clinic at Shibrampur has impacted 28000 urban underprivileged lives since its inception in 2014.

Saroj Gupta Cancer Hospital

Uplifting the needy has always been our prime directive. Beneficiaries were given the treatment they required to lead a healthy life.

Srijan helped 20 cancer patients with their medical treatment

Rabindranath Tagore International Institute of Cardiac Sciences

Srijan supported 41 poor patients who underwent critical surgeries.

Tolly Lions Dialysis Center:

State-of-the-art Kidney Treatment

Srijan extended financial support for the infrastructural development of the dialysis unit.

Children's Park at Chowhati:

Fun-time for All

Ideated by the Lions' Club of Calcutta & put into motion by Srijan.

Undertaken for all-round development of the little ones.

#SrijanCares

Project Shuddhi:

Gravitational Water Filter

Aims to improve potable water conditions through low-cost filtration methods.

150 families of Gobardanga were beneficiaries of Project Shuddhi

Kamakhya Balak Ashram

The goal is to provide a loving environment for destitute children to make them independent citizens of the future.

Presently , the ashram provides shelter, food and education to 64 children.
